Acknowledgement issued subject to conditions overleaf

Conditions of issue:

- This acknowledgement has been issued on the basis of carbon dioxide emissions calculated from the data provided by the acknowledgement holder.
- This acknowledgement is issued to cover the time period and the activities selected by the acknowledgement holder and recorded in an application form.
- Landcare Research has not audited the data provided and does not warrant the accuracy of any claims made by the acknowledgement holder.
- The carbon credits purchased by the acknowledgement holder can not be traded – to do so would invalidate their carbon neutral status.
- This acknowledgement is valid for small enterprises with GHG emissions profile less than 50 tonnes CO₂e only; it does not entitle the participant to use the carboNZero certification mark or to claim carboNZero certification.
